

MCIU BOARD MEETING/October 15, 2014

The MCIU Board met on Wednesday, the 15th, at 7:00. The main order of business was the presentation of the 2015/16 IU Budget. It contains a 1.9% increase over last year. Unlike our school districts, this budget of 125 Million is broken down into 15 Funds and 119 Cost Centers. We will have a chance to vote on this budget next month.

The Renovations at #2 Lafayette Street are on course.

There was lots of legislative flurry in Harrisburg yesterday. The "Pass the Trash" bill passed. This means that we will have to do more extensive background checks on our employees. We also must pass it on to a future employee. The Home School Legislative bill also passed. Home School students now receive the same diploma as regular students.

The Board welcomed Dr. John George who will begin his duties at the IU on Monday.

The next IU Meeting is Wednesday, November 19, at 7:00 at the offices in West Norriton.

Respectfully Submitted,

Carolyn Murphy
