

North Penn School District

Kindergarten

VISION

The North Penn School District provides a full-day kindergarten program in the district for ALL students. Our program provides a strong foundation in literacy, mathematics, and social and emotional learning. Students are afforded increased opportunities to engage in all content areas such as art, music, physical education, library, social studies and science. We believe all students can and will learn in a caring, nurturing environment so that they are educated to their fullest potential.
